Dear Professor Edge:

Manuscript ID UISS-2009-0038.R1 entitled "Employ Five Fundamental Principles to Produce a SOLID, Secure Network" which you submitted to Information Security Journal: A Global Perspective, has been reviewed. The comments of the reviewer(s) are included at the bottom of this letter.

The reviewer(s) have recommended publication, but also suggest some minor revisions to your manuscript. Therefore, I invite you to respond to the reviewer(s)’ comments and revise your manuscript.

When you revise your manuscript please highlight the changes you make in the manuscript by using the track changes mode in MS Word or by using bold or colored text.

To submit the revision, log into http://mc.manuscriptcentral.com/uis2 and enter your Author Centre, where you will find your manuscript title listed under "Manuscripts with Decisions." Under "Actions," click on "Create a Revision." Your manuscript number has been appended to denote a revision. Please enter your responses to the comments made by the reviewer(s) in the space provided. You can use this space to document any changes you made to the original manuscript. Please be as specific as possible in your response to the reviewer(s).

IMPORTANT: Your original files are available to you when you upload your revised manuscript. Please delete any redundant files before completing the submission.

Because we are trying to facilitate timely publication of manuscripts submitted to Information Security Journal: A Global Perspective, your revised manuscript should be uploaded as soon as possible. If it is not possible for you to submit your revision in a reasonable amount of time, we may have to consider your paper as a new submission.

Once again, thank you for submitting your manuscript to Information Security Journal: A Global Perspective and I look forward to receiving your revision.

Sincerely,
Dr Kamesh Namuduri
Editor in Chief, Information Security Journal: A Global Perspective
